Director, Dr. Anamika Singh

Prof. Nitin Kanade
Assistant Editor

VISION

To shape professionals to be Thought Leaders in world of business, by institutionalizing creativity and innovation in thought process and action and dissemination of relevant knowledge through structured learning systems.

MISSION

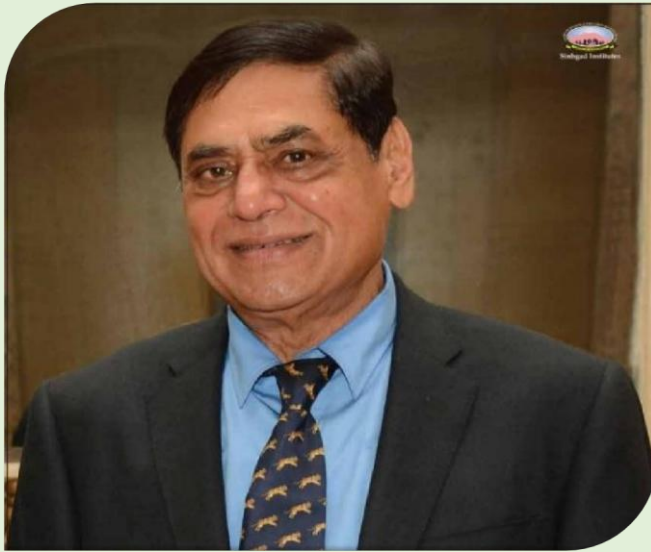

We realize that education is fundamental for the complete development of individuals. As a premier teaching institute, we endeavor to harness this inherent potential through meeting the growing needs of higher technical education. As we grow, we will expand into new technologies, methodologies, disciplines, resources and even attitudes. To achieve this, SIMCA will ensure the highest quality of faculty, resources and infrastructure. These will be structured with focus on academic excellence and versatility in approach that will meet the ever increasing needs of the students.

LONG TERM GOALS

- To encourage student centric learning and holistic development through value addition Program, trainings, research activities, industry projects, and to promote faculty for research and knowledge improvement through various Faculty Development Programmers, Conferences, workshops and Seminars.
- To promote research activities and consultancy services.
- To provide 100 % Placement and nurture skilled IT Professionals.
- To do collaborations and develop effective Memorandums of Understanding with leading companies to promote industry institute interaction.

SHORT TERM GOALS

- To improve technical skills and holistic development of the students, by imparting various technical trainings, Project based teaching learning, Industry visit, inviting eminent industry professionals and soft skill trainings.
- To promote students for co-curricular and extracurricular activities.
- To bridge the gap between industry and academia by increasing industry institute interaction.
- To increase faculty research through research projects, research papers, articles, book, and monographs, various memberships.
- To motivate students for research and development activities through research projects, research papers, research models.
- To improve student quality by improving teaching learning process.
- To improve proficiency, knowledge of faculties, students, staff through various trainings, seminars, workshops.

FROM THE FOUNDER PRESIDENT'S DESK

Two decades ago, with the winds of change blowing through the Indian economic landscape, we had a dream. We realized that the coming century would throw up unfamiliar challenges, the kind that mankind has not seen yet and the pace of change would be unsettling. Our dream therefore was to

build an institution that would equip the youth to be able to compete in a scenario where Change could be called the only constant.

From this dream arose Sinhgad Institutes. From our humble start, our family is now 70,000 plus and growing. But there is one way in which we have not changed and that is in our uncompromising stand on quality of education and its applicability in life. We have always worked towards creating thought leaders and frowned upon rote learning. This is evident in the quality of students that come out of our institutes and their successful trajectory in life.

At our campuses, we see young minds reinventing the future in more ways than we can imagine. The pace of change is only accelerating and this means that these young minds will find many ways to influence the future and better the lives of millions. We ensure that these young minds find the right knowledge and the right atmosphere to dream and the right preparation to achieve their dreams.

Come join us in our march towards light.

Prof. M. N. Navale
President, Sinhgad Institutes

FROM THE FOUNDER SECRETARY'S DESK

The world is fast converting to a knowledge economy where the only wealth is information. Today, to survive and flourish in this environment, you have to be agile and able to adapt to changing scenarios. Now, it is not just enough to assimilate your specific curriculum, but it is also necessary to develop oneself as a complete

individual. We at Sinhgad Institutes have always believed in the complete Development of an individual. We see a potential leader in every student. We treat every mind with the respect that is deserving of one who is to achieve greatness. Our emphasis on students getting involved in sports and other extra-curricular activities lays the foundation of an individual who is academically keen and able to use the same knowledge in the most effective way.

Peter Drucker had once famously said, 'The best way to predict the future is to create it.'

Dr. (Mrs.) Sunanda Navale
Secretary, Sinhgad Institutes

FROM THE VICE PRESIDENT'S (ADMIN) DESK

As an educational institute we have always prided ourselves on our cutting edge approach to education. We believe that education has to keep pace with the world and today when the world can change at a moment's notice, we have managed to keep our students at par with the best in the world. This can only happen when everybody is geared towards ensuring best practices, and that is definitely the case at Sinhgad Institutes. We have a tie-up with Harvard and have followed their case study based pedagogy. Thus our approach to education has always been aimed at involving the students in academics through live topics and discussions. We have the best technology in place for ensuring that our students do not miss out on anything. And our faculty is the engine that keeps the institution running with its ceaseless efforts and constant innovations.

As the Red Queen said to Alice in the book, 'Alice in Wonderland', 'you have to run to stay in the same place.' We are moving tirelessly towards excellence.

Miss. Rachana M. Navale Ashthekar
Vice President (Admin), STES

FROM THE VICE PRESIDENT (HR)'S DESK

The most important ingredient of success is the character of an individual. We at Sinhgad Institutes have always nurtured our students to bring out the very best in them and to mould their characters. Our emphasis on honesty, fair play and integrity go a long way in ensuring the success of our alumni when they go out into the world.

Sinhgad Institutes is an Island of Excellence. Each campus is self-sufficient and has an entire educational ecology operating inside. Each one of them at the seat of nature, enabled with technology and wisdom. We lay a heavy emphasis on the value of one-on-one interaction. Our students too have always treated Sinhgad Institutes as family and have built a thriving ecosystem based on our tradition of excellence.

We welcome you to experience the difference.

Mr. Rohit M. Navale
Vice President (HR), STES

FROM THE DIRECTOR'S DESK

Goal -Setting, Academic excellence, Holistic personal development and an ardent desire to be the best in the corporate world will create Business Leaders of tomorrow. Sinhgad Institute of Management & Computer Application (SIMCA) provides this very platform for the students to launch their careers in the corporate world.

For academic excellence, SIMCA has a retinue of dedicated, devoted and determined teaching faculties, who encourage & empower students to do their best. The curriculum embraces both the vertical (industry specific) and horizontal (functional discipline specific) specialization streams. It focuses on the practice of oriented-learning thus creating knowledge-base through experience. For placements the students are groomed through various activities such as Industry presentations, interactive sessions, mentorship programmes, case studies, sectorial analysis, projects, social activities and value addition programmes besides regular studies. Guest sessions and National Seminars are also directed to make them fit for the role of a committed executive in the corporate world. The guiding philosophy of SIMCA, throughout have been to instill in the scholars a passion for knowledge, comprehend management concepts and integrate globally. The objectives of imparting education, combined with creation, dissemination and application of knowledge, are being met in an integrated form.

I welcome you SIMCA - to nurture excellence through our innumerable Theoretical & Practical Learning sessions.

Dr. Anamika Singh
DIRECTOR, SIMCA-MBA

1. STES AT A GLANCE

Sinhgad Technical Education Society, also referred to as STES, is a collection of education institutes operating mainly in the region of Pune, India. It provides education in various fields like Engineering, Management, Pharmacy, Architecture, and Computer Applications.

STES was founded by Prof. M. N. Navale in 1993 in response to the increasing education criteria in rapidly growing industry after the Open business strategy policy of Indian government.

STES was set up in August 1993 by Prof. M. N. Navale. It began with the formation of Sou. Venutai Chavan Polytechnic Institute in the field of Engineering, offering 3-year full-time Diploma courses in Engineering, recognized by the Government of Maharashtra and approved by the All India Council for Technical Education (AICTE), New Delhi. From then, STES has been continually expanding.

In 1994-95, the Post-Graduation MBA course of Pune University was started with just 90 students. And today, there are 180 students taking benefit of this course.

In 1996-97, the Engineering College was established by STES, offering 4-year full-time Degree courses in the fields of Mechanical, Production, Chemical, Civil, Information Technology, Computer Engineering and Electronics & Telecommunication Engineering. The college is affiliated to the Pune University. In the same year, a 3-year full-time Masters in Computer Applications (MCA) course was started. 60 students are currently admitted to this course.

STES has also started the Sinhgad Spring Dale School, a Residential Public School and Regular Day School (English Medium) from June 2000, running pre-primary, primary and secondary school.

In 2000-2001, the Smt. Kashibai Navale College of Engineering was started for girls. It conducts Degree courses in the fields of Information Technology, Computer Engineering and Electronics & Telecommunication Engineering. But from academic year 2006-07, the college was also made open for boys. In the same year mechanical branch is also introduced.

In 2000-2001 year, Sinhgad College of Architecture and Sinhgad College of Pharmacy were started. The College of Architecture conducts a 5-year Degree course (B. Arch) with 40 students and the College of Pharmacy conducts a 4-year Degree course (B. Pharm.) with 60 students.

Sinhgad college of Science was started in year 2000-01 with B.Sc. (Computer Science) with intake of 80 students.

In 2004-2005, the Sinhgad Institute of Management and Computer Application (SIMCA) started the 2-year full-time Masters of Business Administration (MBA) and 2-year full-time Masters of Computer Application (MCA) courses with intake 60 each.

In 2008-2009, Sinhgad Institute of Technology & Science was started at Narhe Campus. The institute is the fifth from STES offering Degree courses in Engineering. Courses in the fields of Information Technology, Computer Science Engineering, Electronics & Telecommunication Engineering and Mechanical Engineering are offered. But from academic year 2010-11, the Civil Engineering branch was introduced.

“Holistic development of students and teachers is what we believe in and work for. We strive to achieve this by imbibing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity & technology transfer. Our mandate is to generate, preserve and share Knowledge for developing a vibrant Society.”

2. SIMCA – MBA AT A GLANCE

Sinhgad Institute of Management and Computer Application (SIMCA) were established in Academic Year 2004-05 under aegis of Sinhgad Technical Education Society (STES). SIMCA is approved by All India Council for Technical Education (AICTE) and affiliated to University of Pune. SIMCA is established with the mission to impart vibrant, innovative and global education to the students. At SIMCA we have teaching - learning environment to bridge the gap between academic curriculum and IT industry expectations.

Amongst the various institutes offering courses in Management and Computer in Pune, there lies an establishment that has built itself on the foundation of zeal and grit namely Sinhgad Technical Education Society (STES).

This education conglomerate was created by eminent educationist Prof. M. N. Navale. The picturesque landscape at Evert campus creates a beautiful environment which is conducive for learning. It has a dedicated team of highly motivated and experienced teaching faculty each outstanding in his/her chosen field of specialization. It has impeccable infrastructural facilities for advanced IT center, self-contained hostel facilities for both boys and girls with other amenities like Bank, Public transport, hospital, Provision Store, PCO, Canteen, Mess facilities and play ground.

We invoke the Muses and Goddess Saraswati to shower benedictions on this institute that it may be a torch-bearer in field to Management and Computer Application.

A SIMCAIAN would be a weathered leader who will face any vicissitude of life with great fortitude.

Our plans for the SIMCAIANS:

- Grooming the students into Business Management and Computer Application alchemists.
- Harvesting a healthy corporate culture laced with solicitude and having creative winning attitude.
- Creating a network of invention.

- Learning to speak a global language in business management where barriers of all type disappear.
- Imbibing the use of communication tool, the methodology, process and good algorithms.
- Triggering the innovative skills.

Our Curriculum objectives:

1. To create thought leaders for world of Business.
2. To impart relevant high quality value based professional education and development programme.
3. Instill in the students integrity and ethics to reach greater heights.
4. To develop creativity and innovation in thought, process and action.
5. To develop problem solving capabilities, analytical capabilities, and out of the box solutions to any given situation.

The above can be achieved by:

- Providing students a competence application platform.
- Facilitating the applications.
- Reviewing the applications.
- Linking to performance parameter.
- Identifying the competence needed.
- Giving extensive practice exercises.

3. PLACEMENT

Placement Team

Dr. Anamika Singh – Director & Chairman Placement

**Dr. Shilpa Bhingardive
Training and Placement Head**

Prof. Nitin Kanade
Placement Team Member

Dr. Seema Chaure
Placement Team Member

Overview

The placement activity is primarily managed by the Placement Committee headed by the Director of the institute as Chairperson. The placement process for the graduating batch of the MBA program at SIMCA started in the month of August 2021. There were 240 students from the batch 2020-22, those who were interested in campus placements. Details of the students are given in the report. Total 550 companies visited for campus placements. The details of some of these companies are also given in the report. Total 96 students are placed through campus placements. Details of the placed students are shared in the following report.

Placement Policy

The role of the Training and Placement Cell is of a facilitator and councilor for placement related activities.

The placement facility is available to all the students registered with Training & Placement Cell.

It is mandatory for the students to attend aptitude and other trainings (Resume Writing/Email Writing/GD/PI) failing to which students will not be allowed to participate in any Training & Placement Activity.

College uniform is mandatory for students to be present in the Campus Recruitment Programme, failing which students will not be allowed to appear for campus interview.

Students must keep their Identity Card with them at the time of PPT/Test/Group Discussion/ Interviews, and produce the same when demanded by the visiting team or their representatives. For pre-placement talks (PPT) students should be present at least 15 minutes before the scheduled time at the venue & be seated. Delay in reporting will disqualify the student from recruitment process. Students should be punctual & once the HR People/Company representative enters the venue all doors will be closed and NO ENTRY to the students.

Canvassing with the Company Personnel will disqualify the candidature of the student. If students face any difficulty or have any queries, they should contact the member of T&P cell only. Students should not contact the recruiter directly. This should be strictly followed.

Any student who has received offer letter, must inform the Placement office and submit the photocopy of the same as soon as possible.

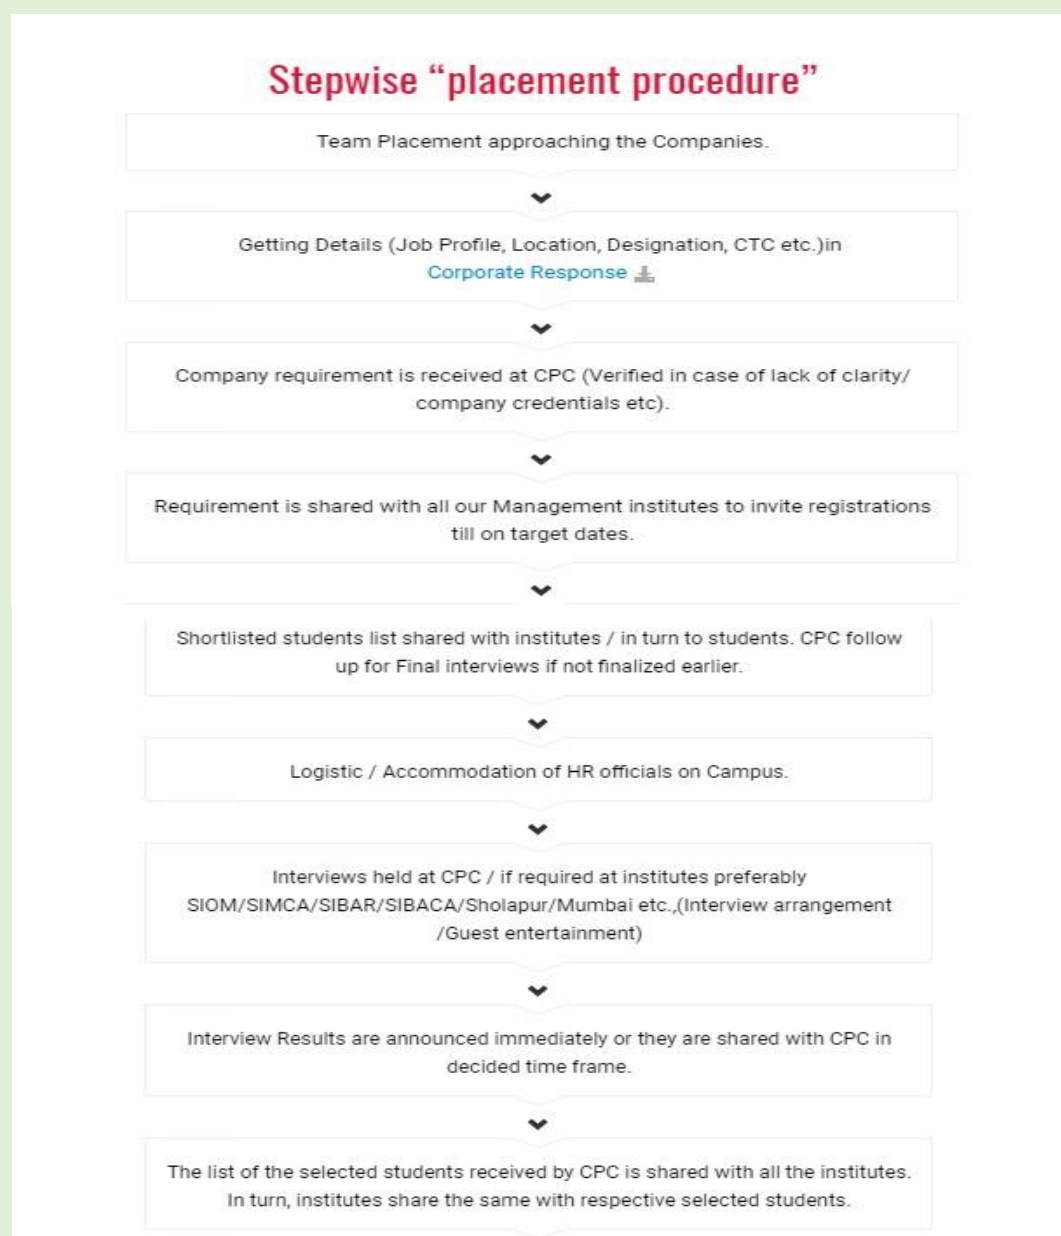

Students should fill their information in the shared google data sheet to participate in Campus Recruitment Programmes. Also students need to check their information regularly and update the same whenever required. As this information will be shared with the industries. If any student fails to fill or update the information he/she may miss the opportunity to participate in the campus recruitment drives.

Decorum should be maintained by the students during the Placements/Recruitment programme. Any behavior bringing disgrace to the Institute will not be tolerated and strict action will be taken against such students. Students should follow professional etiquette. If found guilty, such students will be disqualified from further placement activity.

Any breach of these rules shall lead to the student getting debarred from the placement process. During the Campus Recruitment Programme, a student who registers for a company should mandatorily appear for the Campus selection process, failing which he/she will be debarred from the Campus Recruitment Programme for all other subsequent companies. Students should have positive approach towards placement drives.

Those students, who do not wish to participate for any recruitment process, must inform the T&P office in advance, so as to give opportunity to the other students.

If market situation and Job scenario necessitates a revision in the Placement Policy, it will be done in a manner so as to maximize the benefit to the student community as a whole.

CPC interacts with Companies for further joining documents/ requirements if any. The same is shared with institutes and in turn to the selected students.

On specific decided dates students join the organization and the employer employee relationship begins.

4. EVENTS

The Institute encourages faculties and students to take student driven academic/professional initiatives to complement their class room learning with practical aspects of the real business world. These activities range from organizing special events focusing on current affairs to carefully planned symposia and lectures that enrich the participants' professional, academic and extra-curricular interests. To achieve this student have various academic/professional clubs in different functional areas. The speakers for all these events are eminent personalities. All the events are planned and executed by the faculties and students, in close coordination with Institute's head.

We have organized, participated various events in the Academic year 2021-2022 some of them are:

- **Workshop on Prototype / process design & Development Prototyping.**
- **Parents Meet.**
- **OPEQUE 2021.**
- **Panel Discussion on Entrepreneurship.**
- **Session on Talk with startup founder.**
- **Teachers Day**

- **Gandhi Jayanti**

- **Rangoli Competition**

- **Vaccination Drive**

- **Republic Day**

- **Swatch Bharat Abhiyan**

- **Blind Girls School Visit**

- **Cultural Week Celebration**

- **Shiv Jayanti 2022**

- **Old Age Visit**

- **Marathi Language Day**
- **Womens Day Celebration**
- **Faculty Development Program**
- **Dr. Babasaheb Ambedkar Jayanti**
- **Sports day 2022**
- **OPEQUE 2022**
- **International Yoga Day**
- **No Vehicle Day**
- **Blood Donation and free Eye Checkup**

1. Workshop on Prototype/Process Design and Development – Prototyping Under the Institute Innovation Council's (IIC) Activity Report

Sinhgad Institute of Management and Computer Application, (SIMCA), Pune has organized a day seminar on “**Workshop on Prototype/Process Design and Development –Prototyping**”, on June 9, 2021. The workshop focused on Prototyping Design Thinking. Interested faculty and students have attended the workshop. The program started at 11:00 am with the welcome address by Ms. Priya Shinde. The opening remarks and introduction given by Guest speaker Prof. Prajakta Joshi she has experience of 28 years, she is Entrepreneurship Innovation Educator, NEN Faculty and a Leader.

She highlighted design thinking and the tools and techniques of prototyping. She emphasized how we can think differently and how we have to be passionate about our goals.

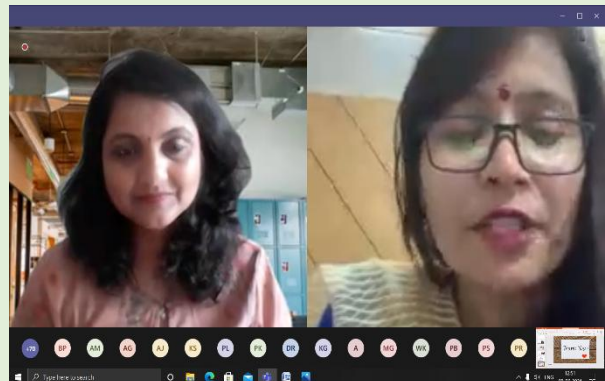

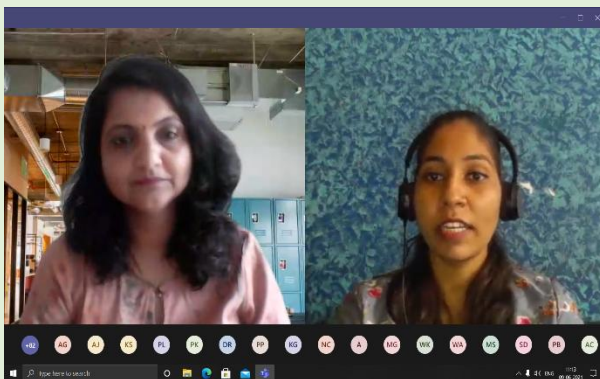

She shared her research work and talked about her experience in all these years. She gave several examples of prototyping. She also explains how prototyping is used in various fields like Engineering, Architecture, etc.

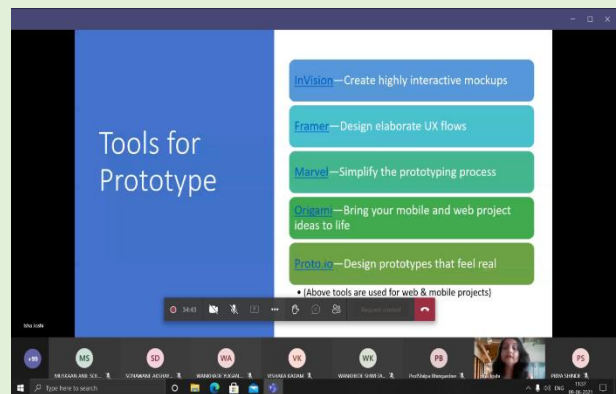

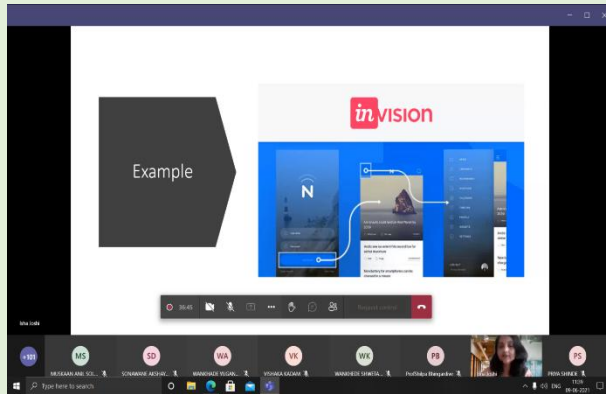

Professor Prajkta Joshi shared her experience of starting a travel community platform and fulfilled women's dreams to travel solo. Prof. Prajakta Joshi decided to empower women differently. PWST-Pune Women Solo Travelers is a community-based organization run by women for women!! She used media and a social media platform to reach out to every woman. Her hard work and dedication paid off by receiving and achieving various rewards.

She presented her work and observations in tourism growth in social, political, economic sectors. Also emphasized on how to use social media platforms for encouraging women and many more.

At the end of the program, Dr. Anamika Singh (Director, SIMCA) shared her experience of attending the workshop and appreciated the inspiring work done by guest Prof. Prajakta Joshi. Ma'am has ended the session by thanking the guest speaker for such an interesting and informative session and for being with us.

Date: - 1st OCT 2021

Venue: - SIMCA Seminar Hall **First Half**

Participants: - MBA and MCA Students, Non-teaching staff and Faculties

Staff correspondent/ reporter, (4th Oct 2021)

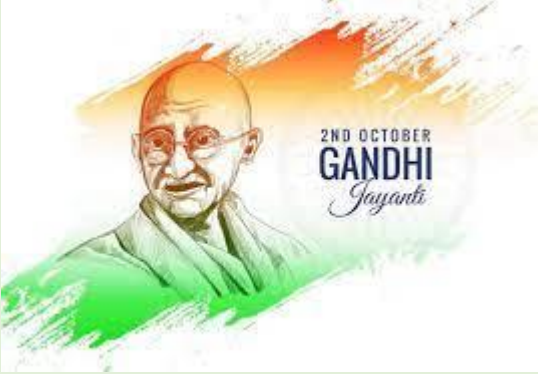

Overview of the program

Gandhi Jayanti is an event celebrated in India to mark the birthday of Mahatma Gandhi. It is celebrated annually on 2 October, and is one of the three national holidays of India. The UN General Assembly announced on 15 June 2007 that it adopted a resolution which declared that 2 October will be celebrated as the International Day of Non-Violence as he was a non-violent freedom fighter. He is also known as the "Father of The Nation" and this title was given to him by Netaji Subhash Chandra Bose for his relentless struggles for independence. At SIMCA tribute is offered to Gandhiji.

Activities Performed:-

The director of the institute Dr. Anamika Singh also enlightened the audience by her motivating speech on this occasion. The director of MCA Dr. Vilas Nandavadekar delivered a speech to students which emphasized on the life of Shivaji Maharaj and his great achievements. Students and faculty members also delivered motivating speech on the management lessons learned from the great warrior Shivaji Maharaj. Various activities were conducted at the institute during the program like cultural dance, Bal Shivaji Palna (Song), Shivgarjana and a small walk / rally of students dressed up like Shivaji Maharaj and his army, in order to create awareness in the young minds of the students regarding the valiant Maratha warrior, Shivaji Maharaj.

15) Old Age visit:

Date: - Feb 24thThursday 2022

Venue: - SIMCA Seminar Hall

Participants: - MBA, MCA Faculties and Staff

Staff correspondent/ reporter, (Date: 26th Feb 2022):

Overview of the program

An old age home houses elderly people who either have no family or have been abandoned by their families. The home usually has a care-taker who monitors the residents of the home and a few helpers to take care of the residents. A visit to an old-age home is a life-changing experience as it is filled with emotions and sentiments. The SIMCA family had an opportunity to visit an old-age home in Dhyari named Maherwat. The head also briefed the students about the contribution they need to make towards the society

Activities Performed:-

- Students were sensitized with regards to their role in social upliftment contribution
- Religious Books distributed to the old
- Apple Distribution to the old people

Glimpses of the Event:

Old age visit

16) Marathi Divas – 2022:**Marathi Language Day****Academic Year: 2021-2022****Date:** 03/03/2022**Time:** 3:00 pm**Venue:** Second Floor Seminar Hall

Marathi Language Day (Marathi Diwas) is celebrated on February 27 every year across the Indian states of Maharashtra and Goa to honor Kusumagraj's work in Marathi Literature. This day is regulated by the State Government. It is celebrated on Birthday of Vi. Vaa. Shirwadkar popularly known by his pet name, Kusumagraj who was an eminent Marathi poet, play writer, novelist, and short story writer, apart from being a humanist, who wrote of freedom, justice and emancipation of the deprived.

Sinhgad Institute of Management and Computer Application had celebrated "Marathi Language Day" on 03/03/2022 at 3:00 p.m (Due to holiday on 27/02/2021) to remember the work of Kusumagraj in Marathi Literature. Dr. Anamica Singh, Director, SIMCA, Dr. Vilas Nandawadekar, Director MCA and faculty members have lightened the lamp and pay tribute to a great personality. On this occasion of this Dr. Nandkumar Moer, Professor, Marathi Department, Shivaji University Kolhapur give a speech on "Bhasha Bhan".

Teaching and non-teaching staff, MBA/MCA students were present for this event. Some of them have read poems of Kusumagraj and performed cultural events. Also students participated in various competitions like, "Swakshari", "Vesh Bhusha" etc.

STES's SIMCA, NARHE, Pune**13th April 2022****1st Day 7th April 2022**

STES's Vice President Admin. Mrs Rachana Navale Asthekar Mam had provided such beautiful opportunity to all STES's MBA Faculties to arrange and organize 15 days Faculty Deployment Program (FDP) on 7th April 2022 to 28th April 2022.

Faculty vitality is the main ingredient to enhance professional education and competence. Enriching the faculty vitality in key domains of teaching, assessing, research, professionalism, and administration is perceived to improve educational environment significantly and enhances the academic performance of learners. Faculty development program (FDP) has been considered as a stand-alone educational pedagogy in fostering knowledge and professional skills of the faculties. With this unique preposition in mind we have designed this FDP on understanding and practical approach towards case based teaching learning.

Guest of Honor and Key note speaker

Prof.Govind Apte,**Dr, S.U.Gavade,****Dr M.S. Gaikwad,****Dr Dhanajay Mandalik Director SIBAR ,****Dr Daniel Penkar Director SIOM,****Dr.Vijaya Puranuik Director SBS,****Dr.Prachi Pargawkar Director SKNSSBN,****Dr Nagtilak director SIBACA ,****Dr.Prachi Pargawkar Director SKNSSBM****Dr.Anamika Singh Director SIMCA and all Deans and HOD's.**

24) Blood donation and Free Eye checkup:

Date :24thJune 2022

To : Dr. Anamika Singh, Director SIMCA.

From : CSR, SIMCA.

Blood donation is one of the most significant contributions that a person can make towards the society. It is not harmful for an adult person to donate blood. The body of the donor can regenerate the blood within few days. It poses no threat to the metabolism of the body, but gives a new life to the one who is in need of .With this Nobel thought in mind a blood donation Camp for the students and the faculties was arranged with the help of Kashibai Navale medical college

Eyes are the integral part of our body. It's one of the 5 important senses so it becomes imperative on part of all of us to take better care of them thus a regular checkup is very essential as we the generation of today are exposed to the screens nearly 60% of our time. If are eyesight becomes week we will fail to make an assessment of the world around us. Thus to have those healthy eyes we need to check them at regular with this we have also made the arrangements of eyes checkup along with blood donation.

Blood Donation: Kashibai Navale Medical College**Free eye Checkup: Lawrence& Mayo**

Objective of the activity: -

1. To sensitize the need of donating blood to the needy in time
2. To instill the feeling of helping others to breathe life with their precious donation
3. To motivate all students to take a pledge to donate blood at least once in a year
4. To impart to them the value of blood donation
5. To aware of the scientific information about the blood group
6. Enhanced and clearer visibility to read, write etc.
7. Increased opportunity to continue or resume an respective occupation etc.
8. Improvement in quality of life
9. Increased ability to avoid injury
