Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens

A. Y. 2021-2022

ika

SIMCA PUNE regularly conducts activities to generate awareness drives for employees and students to inculcate values for being responsible citizens. Some of the regularly conducted activities are Swachh Bharat Abhiyan, Fitness activities, Yoga and games, compulsory exposure for students to work with various empanelled NGOs, tree plantation, blood donations drives, Awareness of Flag Code, etc. The supporting emails, office orders and photos are placed. Further, being an academic institute our main focus is on sensitizing our students to become mature and responsible citizens of India. Their course curriculum compulsorily includes a course on Corporate Governance & Ethics and they have to participate in various social awareness programmes which are also a compulsory course as part of their curriculum.

The students also being responsible citizens take many community services and provide services to mankind and society. The students have taken up much cleanliness drives both inside the campus and nearby villages considering it as a responsibility of every citizen. Every year Republic Day is Celebrated on 26th Jan by organizing activities highlighting the importance of the Indian Constitution. 'Independence Day' is also celebrated each year to highlight the struggle for freedom and the importance of the Indian constitution.
