4.2 Library as a Learning Resource

Libraries are excellent learning resources that provide a wide range of educational materials and services to support learning at all levels. College libraries play a vital role in the education and overall academic experience of students.

S.K.N. Sinhgad School of Business Management Library

College libraries provide students with access to a wide range of academic resources, including textbooks, reference books, scholarly journals, research papers, News Papers and online databases.

Books and Journals: College Library is very rich in Reference books and Journals. These resources are essential for conducting research, completing assignments, and deepening understanding in various subjects.

Reading Room: Libraries provide a quiet and conducive environment for studying. They offer spaces for individual and group study, allowing learners to focus and concentrate on their educational goals. Libraries often have designated areas equipped with Tables and Chairs, and Wi-Fi, enabling students to work on assignments, research projects, or online learning activities.
