blood flowing after calling for emergency medical help. She has stressed on not to ignore the symptoms of a heart attack. Then she demonstrated what should be done in an emergency condition and how to respond immediately by Pushing hard and fast on the center of the person's chest in a fairly rapid rhythm — about 100 to 120 compressions a minute. She has explained Airway, breathing techniques very clearly that are to be used in severe condition of patient. Students could gain the knowledge on CPR techniques to be used.

S.K.N. SINHGAD SCHOOL OF BUSINESS MANAGEMENT, PUNE	
“Inauguration of E-Waste and Plastic Waste Drive 2021”	
Date :	17 th December 2021
Time:	2 pm to 3 pm
Topic :	“Inauguration of E-Waste and Plastic Waste Drive 2021”
Guest :	Mr. Chaugule and Mr. Pandhare Estate Office
PROGRAMME ORGANIZER:	Dr. Prachi Pargaonkar-Director
TOTAL NUMBER OF PARTICIPANTS:	60 including students, Faculty members and staff
CLASS :	MBA II students
PROGRAMME COORDINATOR:	FACULTY Dr. Roza A Parashar CSR Coordinator

Introduction:

Dr. Roza Parashar introduced this CSR program and the initiative taken by SKNSSBM as below:

Faster up gradation of electronic product is forcing consumers to discard old electronic products very quickly, which, in turn, adds to e-waste to the solid waste stream. The growing problem of e-waste calls for greater emphasis on recycling e-waste and better e-waste management. Reducing the use of plastic is important because plastic production requires an enormous amount of energy and resources. This causes carbon emissions and contributes to global warming. Recycling plastic is not efficient – only 9% of plastic ever produced has been recycled. About 60% is discarded in landfills and oceans. There, it stays for thousands of years, transforming into “micro plastic,” leaching into our water supplies and food. People tend to switch over to the newer models and the life of products has also decreased. Reduce, Reuse, Recycle (3Rs) is the model we can students & staff together make awareness about this to society.

SKNSSBM will always play vital role towards issues in society.

Inauguration of programme:

Dr. Prachi Pargaonkar welcomed the guest and inaugurated the drive she added that Adar Poonawala clean initiative and Janwani NGO approached for this event and we decided to organize this drive, 40 student volunteers registered for this event to create awareness and collection of E-waste and Plastic waste at 8 given locations in Sinhgad Road and at our institute SKNSSBM on 19th December 2021.

"Inauguration of E-Waste and Plastic Waste Drive 2021"	
Date :	17 th December 2021
Time:	2 pm to 3 pm
Topic :	"Inauguration of E-Waste and Plastic Waste Drive 2021"
Guest :	Mr. Chaugule and Mr. Pandhare Estate Office
PROGRAMME ORGANIZER:	Dr. Prachi Pargaonkar-Director
TOTAL NUMBER OF PARTICIPANTS:	60 including students, Faculty members and staff
CLASS :	MBA II students
PROGRAMME COORDINATOR:	FACULTY Dr. Roza A Parashar CSR Coordinator

Introduction:

Dr. Roza Parashar introduced this CSR program and the initiative taken by SKNSSBM as below:

Faster up gradation of electronic product is forcing consumers to discard old electronic products very quickly, which, in turn, adds to e-waste to the solid waste stream. The growing problem of e-waste calls for greater emphasis on recycling e-waste and better e-waste management. Reducing the use of plastic is important because plastic production requires an enormous amount of energy and resources. This causes carbon emissions and contributes to global warming. Recycling plastic is not efficient – only 9% of plastic ever produced has been recycled. About 60% is discarded in landfills and oceans. There, it stays for thousands of years, transforming into "micro plastic," leaching into our water supplies and food. People tend to switch over to the newer models and the life of products has also decreased. Reduce, Reuse, Recycle (3Rs) is the model we can students & staff together make awareness about this to society.

SKNSSBM will always play vital role towards issues in society.

Inauguration of programme:

Dr. Prachi Pargaonkar welcomed the guest and inaugurated the drive she added that Adar Poonawala clean initiative and Janwani NGO approached for this event and we decided to organize this drive, 40 student volunteers registered for this event to create awareness and collection of E-waste and Plastic waste at 8 given locations in Sinhgad Road and at our institute SKNSSBM on 19th December 2021.
